Town of North Redington Beach

NRB News

Hours Monday thru Friday 7:30-5:30 pm

June 2012

Join the fun at the July 4th Town Celebration!

The July 4th Parade will start at 9 am (weather permitting) at Addie Graham Park on 173rd Avenue. Grab your spouse, kids and pets - decorate your bikes/cars and put on your red, white and blues and join the parade. The parade will take its usual route up 173rd Avenue to 2nd Street, continuing onto 1st Street and end at Radcliffe Park. Immediately following the parade, at the Gazebo, we will have refreshments, hot dogs, sno-cones, give-a-ways and more. A special prize will be given to the best patriotically decorated bike/wagon in the parade.

The closest firework displays to NRB will be in Redington Shores, Madeira Beach and Treasure Island. Typically they start just after 9 pm. Please see the newspaper or their municipal websites for more specific information.

Have a safe and joyful holiday!

Turtle Nesting and Hatching Season is May 1st - October 31st.

- Do not interfere with nesting females, eggs or hatchlings.
- Leave nests, nest markers and signs undisturbed.
- Shield and turn off lights that shine on the beach or are visible from the beach.
- Keep pets off of the beach.

Please report any new nests, injured or dead sea turtles to the Clearwater Marine Aquarium at (727) 409-5389.

THE SAND IS COMING!

Beach renourishment is underway at the north end of Sand Key and will progress southerly over the next six months. It will be the same system as in the past, pumped sand via pipes to the beach from off shore barges and then spread out with bulldozers.

North Redington Beach will be at the end of the project, estimated in October. It will be noisy on the beach but well worth it for our new sand!

This past busy tourist season kept our local businesses extremely busy. The unfortunate side effect to that is parking becomes a problem in our small town.

We have now made four spaces at Radcliffe Park/tennis courts "Parking by Resident Permit Only". Our parks are intended to be used by our residents and not for overflow use from the business district.

Please do not park on the grass or park without a parking permit in the designated spots.

Neighborly care network

The Town of North Redington Beach annually contributes to the Neighborly Care Network. This program which was established in 1966 serves seniors by providing social, health, pharmaceutical, nutrition, transportation and other vital services that enable older adults to live more independently in the community. This network was the first to start the federally funded "Meals on Wheels" program in the nation.

For more information about the Neighborly Care Network please call (727) 573-9444 or visit www.neighborly.org. Volunteers are always needed and welcomed.

Dog Waste Bag Dispensers

Doggie Bags and Recycling – what a combo!

The Town has installed new dog waste bag dispensers at all of our parks. They are filled with donated plastic grocery bags that are to be used to pick up after your dog.

Town Hall is collecting the plastic grocery bags to refill the containers. If you have extra bags please donate them at Town Hall. And for all you dog owners who forget their waste bags – look for the blue boxes in the parks and please pick up after your dog!

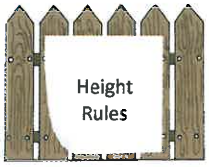
Pinellas County Utilities has partnered with the beach communities to create a new Gulf Beaches Recycling Program.

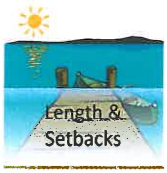
Residents and visitors to Pinellas County beaches now have a convenient way to recycle their aluminum cans, plastic bottles and other recyclable materials. Blue recycling containers are located next to existing trash cans on the beach at each beach access walkway. Beachgoers can drop off recyclable items as they arrive or leave.

Please help keep our beaches beautiful!

Do you plan to make some improvements to your home or business?

Replacing or adding a Dock, Fence, Pool, Driveway, Porch, Sign, etc.?





Please check our town ordinances and zoning requirements.
Click to our webpage or call Town Hall @ 391-4848.

IMPORTANT REMINDER...

Single-family or multi-family homes are to be occupied on a regular basis by the same party for periods of ninety (90) days or more and not to be rented for shorter periods.
