

HELENE/MILTON UPDATE 11/20

(Please see previous updates for additional important information)

All updates available on townofnrb.com

Debris

The final debris pick up is occurring at this time. It is expected to be finished on Friday. If they haven't been by your house yet this week, make sure to get your things out. This is the final debris pickup.

Substantial Damage Letters

We do not have any information on the status of SDE letter distribution or permitting. The Building Official is working on getting a report together for the next update on Friday. If you have any questions regarding permitting, letters or anything pertaining to building please contact Safebuilt directly at redington@safebuilt.com or 727-202-6825.

As a reminder, if you would like to receive your letter via email (as well as a hard copy via mail), please send your name, address and email address to redington@safebuilt.com.

Once your letter is received, next steps are described at the FEMA link below:
