

NRB NEWS – APRIL 2025

WHO IS JAY SUPER?

Get a closer look at your new Mayor. Erica Riggins, of Bay News 9, visited April 3rd for a chat with Jay which aired that evening. In case you missed it, Bay News 9 will be providing us with a link to the video which will be available at <https://townofnorthredingtonbeach.com/> as soon as it is received.

STORM DAMAGE REPAIRS

Quotes have been received for the needed repairs to our Beach Park (soon to be Bill Queen Park), the beach access and replacement of the fence at Town Hall. The repairs will be completed as soon as the contractors can fit it in their schedules.

SAFEBUILT LETTERS

Earlier this month, Safebuilt sent letters to addresses that had not filed for permits. As we have many homes that have not requested permits, Safebuilt has asked the property owners to get in contact with them regarding the status of their property to narrow down which properties have been abandoned without any storm damage repair having occurred. These properties have the potential of becoming a health and safety hazard if no mold mitigation has occurred.

If you received a letter, please contact Safebuilt at 727-202-6825 or at redington@safebuilt.com.

FLAGS

We are happy that our beautiful American flags are flying high again throughout town. After an issue with getting parts for the pulley system, the

repairs were completed and the Red, White and Blue is waving once more.

If you see any issues with a flag such as it being torn, the light being out or it is tangled, please contact us at town hall.

LIBRARY RIBBON CUTTING

The Gulf Beaches Library, in conjunction with the Tampa Bay Beaches Chamber of Commerce, will be celebrating their official reopening with a ribbon cutting ceremony on Tuesday, April 29th at 5:00 pm. Mark your calendars to join the celebration.

eBIKES AND GOLF CARTS

We have had several people call us about near misses between cars and kids on eBikes or driving golf carts. Multiple reports of youngsters darting into the roadway in front of moving vehicles have been reported. Please help keep everyone safe by ensuring your kids observe traffic signs and check both ways for traffic when out and about.

As a reminder, only street legal golf carts are allowed in our town and must have a licensed driver. Carts are not allowed on the pedestrian beach accesses.

BULK TRASH PICK UP

Don't forget to put your items out this Saturday, the 12th for our quarterly bulk pick up!

For more information on the bulk pickup, please visit
