

# **NRB NEWS – JANUARY 2026**

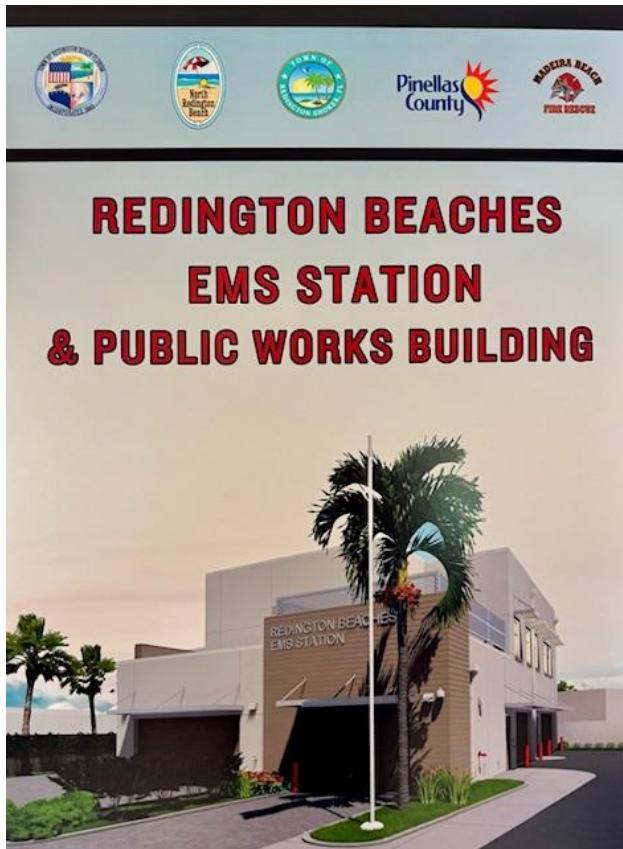

## **BOAT PARADE COMMITTEE**

As previously mentioned, Redington Beaches Boat Parade Committee has lost the majority of its members after the storms. The committee will begin meeting soon as it takes many months to prepare for the parade therefore, we are seeking volunteers that would like to help ensure a successful parade for 2026.

If you are interested in volunteering, please contact us or Adriana Nieves at [townclerk@townoffredingtonbeach.com](mailto:townclerk@townoffredingtonbeach.com).

## **EMS/PUBLIC WORKS BUILDING**

At long last, construction has begun on the new Redington Beaches Emergency Services/Public Works building. The projected completion date is March 2027. Many thanks to Madeira Beach Fire Chief Clint Belk for managing this project and ensuring it's completion.

## **PARKING PERMITS**

If you haven't yet picked up your new resident parking permit, stop by Town Hall to get a new one which is good through 2027.

## **OUTDOOR LIGHTING**

Town ordinance requires all dock and home lighting to be either shielded or turned off at night. This prevents light from shining into neighboring homes as well as those across the water.

## **BULK PICK UP**

The next community bulk pick up is April 11th. This is the time to put your large items out for pick up by Waste Pro. Bulk pickups occur quarterly. Schedules and other information can be found at  
<https://www.wasteprousa.com/northredingtonbeach/>

## **HAZARDOUS WASTE DISPOSAL**

Pinellas County accepts items that cannot be put into your regular trash. Paint, batteries, pool chemicals, etc can be disposed of at their collection site on 114th Avenue. Full address, drop off times and a list of accepted items can be found at <https://pinellas.gov/household-hazardous-waste-hhw-collection/>.

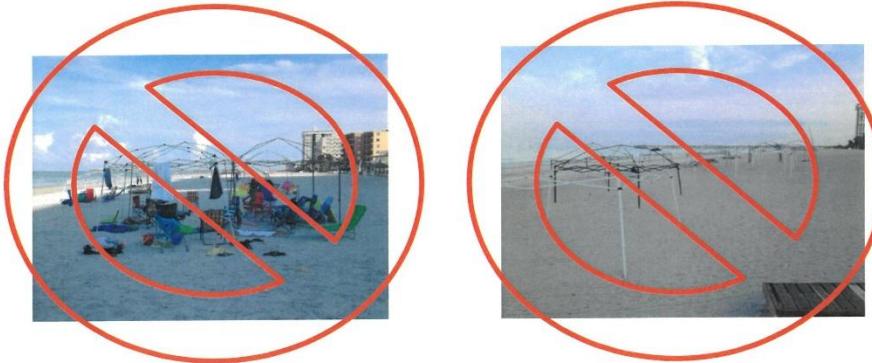

## **BEACH REMINDER**

**No items can be left on the beach  
between 8 pm and 8 am.**

Including, but not limited to, any tent, awning, canopy, sun shelter, umbrella, chair, cooler, clothing, toy or umbrella.

Items left will be considered abandoned  
and will be removed.

Pictures above were taken during the summer of 2014. Both are not permissible between 8 pm and 8 am.  
The beach must be clear.

*Please help keep our beach clean and safe!*

*Board of Commission meetings are on the second Thursday of each month at 6:00 pm and workshops are scheduled as needed. Please keep an eye on our webpage for agendas at*
