

NRB NEWS - OCTOBER 2026

RESIDENT PARKING PERMITS

There are a few spots within town that has restricted parking that is for residents only such as Bill Queen Park (available to residents that do not live on Gulf Boulevard), Radcliffe Park and other limited areas within town.

The permits are available by stopping by Town Hall, in person, with the identification as required by the town's ordinance below. We are unfortunately not able to give out passes for neighbors, children or friends as everyone must present, in person, with their photo ID and proof of residency.

Sec. 46-48. - Issuance of permit.

(b) The application shall be under oath and shall be accompanied by one of the following as proof of location of residence or real property tax assessment.

(1) State driver's license listing an address inside the town that does not abut Gulf Boulevard.

(2) Voter's registration showing registration to vote in the town at an address that does not abut Gulf Boulevard.

(3) The applicant or a member of the immediate family being listed on the current real property tax rolls.

CONSTRUCTION HOURS

As a reminder, construction hours within the town is 8:00 am to 6:00 pm, Monday through Saturday. No activity is allowed on construction lots outside of these hours.

While we know everyone is anxious to finish up their projects as quickly as possible, please be considerate of your neighbors in keeping the construction within the allowed hours.

EMS/PUBLIC WORKS BUILDING UPDATE

The new EMS/Public Works Building is getting closer to completion. The scaffolding is down and interior work is progressing. We may even see a completion date a little earlier than the projected date of March.

BULK TRASH PICK UP

Our next bulk pickup is October 10th. Make sure to get your things out early so you aren't missed.

Safety Tips: Before a Flood

It's important to prepare ahead for possible storms or flooding. These tips and resources will assist you in your planning, but the real work is up to you. Take the time to prepare ahead, you'll be glad you did.

Before a flood find out what your flood risk is.

Avoid building in a flood prone area unless you elevate and reinforce your home.

Retrofit your property. Elevate the A/C, water heater and electric panel if susceptible to flooding.

Install "check valves" in sewer traps to prevent floodwater from backing up into the drains of your home.

Purchase flood insurance for your home, business or rental.

Know your evacuation zone.

Make an emergency plan to protect you, your family and your pets. Pet-friendly shelters are limited.

Register to receive emergency alerts.

Protect your home by building smart and taking actions to minimize flood damage.

For more information on what to do before, during and after a natural disaster, visit [Pinellas County Emergency Management](#).

Board of Commission meetings are on the second Thursday of each month at 6:00 pm and workshops are scheduled as needed. Please keep an eye on our webpage for agendas at
